Length and weight only approximate. Seed is sold by grade size (as measured across the side of square mesh in mm).
POA-PriceOnApplication means we will only grow to larger sizes for advance orders.

NOTES

Our € Euro price list is offered for the convenience of our customers. We may need to make changes due to unexpected exchange rate fluctuations.

All prices are per thousand seed and for payment in advance of shipment. Carriage is charged at cost.

We prefer payments by bank transfer please – account details are on our invoices or available on request.
